Subject: Reply to your communication dated 22nd of MAY 2006 for the Application 10/678,113

Dear Mr Boles,

I received a letter on the 30th of May informing me that my application listed above is abandoned as I failed to timely reply to the Office letter mailed on the 12th of September 2005.

I sent you the requested material by your letter of 29th of June. This material reached you on the 12th of September as the status of deliver for the courier says. Since then I have no reply from you except of the one I received on the 30th of May.
Could you please mail to me some proof of the letter you mentioned released on the 12th of September and the letter itself?

Thank you in advance,

Sincerely yours

Athanasios Katsanevakis
